ABOUT US

At InReach Storage, we pride ourselves on our people, process, and products. Our dedicated team collaborates closely with homeowners to understand and fulfill their unique storage goals. We ensure a seamless experience from consultation to installation, making the entire process hassle-free. Our products and designs blend form and function, transforming each space into part of your dream home. Trust InReach Storage to deliver outstanding results tailored to your specific goals.

PEOPLE

We value communication and recognize the unique strengths and personalities of each team member. Our collective positive attitudes are reflected in our customer relationships, which is why we proudly maintain a 5-star rating on Google Reviews.

PROCESS

We understand that business and processes evolve. That's why we continually improve our methods and innovate within our industry. As we grow, we streamline and adapt our processes to ensure they remain efficient and effective, delivering exceptional results.

PRODUCT

At InReach Storage, we offer cutting-edge products and customizations that others won't. With competitive pricing and a commitment to high-quality standards, we ensure that every project we complete is unmatched in both functionality and design.

The InReach Experience

InReach Storage has proudly served Florida homeowners for nearly 10 years!
Here is what you can expect when you choose to have us work for you!

LISTEN

We ensure we understand your goals, including additional storage, easier and safer access, and creating a more attractive space.

DESIGN

We use our experience and product offerings to craft a custom layout tailored to your needs.

SOLVE

We offer clear, itemized solutions with transparent pricing and expert installation by our trained technicians.

WHAT TO EXPECT

BEFORE YOUR CONSULT

Our sales team will discuss your storage needs, explain our products, and provide pricing and estimated installation times to see if we're a good fit.

AT YOUR CONSULT

We'll visit your home to assess your project, understand your needs, and use our expertise to design a suitable storage solution.

GET YOUR ESTIMATE

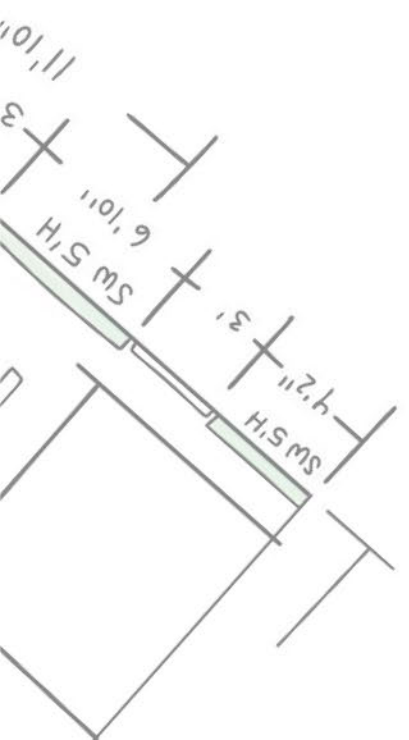

We often provide a total price at the consult, but a detailed estimate will be emailed to you within 3 days after reviewing the project.

HOW TO ACCEPT YOUR PROPOSAL

When you're ready, let us know! We'll email instructions for submitting a deposit and provide you with estimated installation dates. The deposit must be paid within 3 business days to secure pricing and installation dates.

SCHEDULING YOUR INSTALL

A member of our team will reach out a few weeks ahead of your installation date to confirm your availability. We recommend that our customers be present on installation day.

MOTORIZED PLATFORMS

Our motorized overhead storage platforms keep your items out of the way, maximizing storage space and giving you easy access, even above the garage door.

No Ladders Required

Create a new level of storage and unlock your garage's storage potential, even utilize the area above the garage door.

STORAGE OPTIONS

Boxes • Totes • Holiday Items • Christmas Trees
• Keepsakes • Household Goods

Quality

Our motorized platform is built to last with galvanized steel aluminum, and powder coated steel components. Weight capacity ranges from 400-600bs depending on size selection.

Customization

Choose from two platform color options. Standard sizing are 4x8 & 6x8 with custom sizes available to fit in your space. Decorative walls and floor decks available for a cleaner look.

Skilled Installation

Each unit is installed by our professionally trained in-house technicians to ensure the highest standards of quality and safety.

OVERHEAD STORAGE SOLUTION

FEATURES

Store Garage Items Up and Off the Floor

Not only does the motorized platform keep your belongings neatly tucked away and out of sight, but also frees up valuable floor space, making your garage look cleaner and more organized.

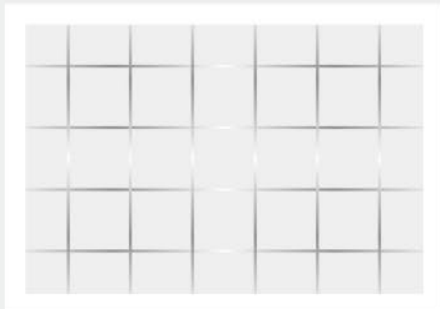

Weight Capacity Up to 600LBS

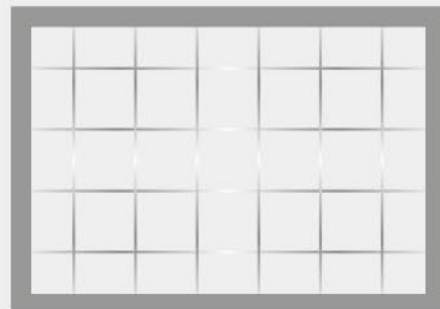

Our motorized platform supports an impressive weight capacity of up to 600 lbs, and is built with durable galvanized steel, aluminum, and powder-coated components.

GARAGE CABINETS

We provide a range of cabinets tailored to fit any space, helping you maximize storage and conceal clutter in your garage.

Cabinet Storage

Choose from our different cabinets size options to give you the flexibility to store items of all sizes, in the space that you currently have.

STORAGE OPTIONS

Small Boxes and Bins • Clothing • Kitchen Appliances •
Cleaning Supplies • Over Stock Paper Goods • Tools

Quality

Our cabinets are designed to be strong and endure Florida's tropical weather conditions. With a variety of features like soft-close doors and drawers, and a powder-coat finish, that promise durability and longevity.

Customization

Our cabinets come in a variety of styles, sizes, and colors, giving you the flexibility to mix and match to create your ideal garage setup. Personalize your space further by securing them to the wall and adding options like worktops and slatwall.

Skilled Installation

All product components are inspected before installation and protected during delivery. Our trained installers ensure garage cabinets are leveled, aligned, and leave the garage clean and improved.

PVC LAMINATED CABINETS

FEATURES

EFFICIENT

Striking metallic gloss finish inspired by car aesthetics, with a radius profile and versatile wall mount and feet options for easy installation in various settings.

DURABLE

Robust 3/4" core with durable weather sealed PVC laminate for enhanced strength and a stylish finish that withstands daily wear and tear.

PERSONALIZED

Industrial-strength 1" thick shelves designed for heavy loads, soft-close hinges to prevent slamming, and unique integrated worktops for a convenient workspace that seamlessly combines functionality and style.

Car-Like Metallic Finish

QUALITY EXPECTATIONS

Minor imperfections like light scratches are normal in laminated cabinetry. Laminate cabinets are built to endure Florida's tropical conditions but can rust or tarnish if submerged in water or exposed to chemicals.

STEEL SERIES CABINETS

FEATURES

HEAVY-DUTY WELDED STEEL FRAMES

Our garage cabinets are built to last, thanks to their heavy-duty welded steel frames. Designed to withstand the rigors of a busy garage environment, these robust frames provide unparalleled strength and durability. Whether you're storing tools, equipment, or seasonal items, our cabinets offer reliable support and stability.

SPACIOUS STORAGE DESIGN

Provides the ease of access and the satisfaction of a clutter-free space. These cabinets are cleverly engineered to maximize every inch, these cabinets offer generous room for all your tools and gear, keeping your garage neat and organized.

SOFT CLOSE HARDWARE

Enjoy a quiet, smooth experience with our soft close hardware, ensuring your garage cabinets shut effortlessly and gently every time.

SLATWALL SYSTEMS

Efficiently organize loose items with customizable wall-mounted storage solutions

Off-the-Floor Storage

Add a versatile yet decorative finish to your space by adding slatwall to your walls to create a low-profile storage solution.

STORAGE OPTIONS

Rakes • Shovels • Brooms • Blowers • Folding Chairs • Pool & Beach Items • Ladders • Step Stools • Cleaning Supplies • Tools • Golf Bag • Bicycles • Fishing Rods • Shoes • Helmets

Quality

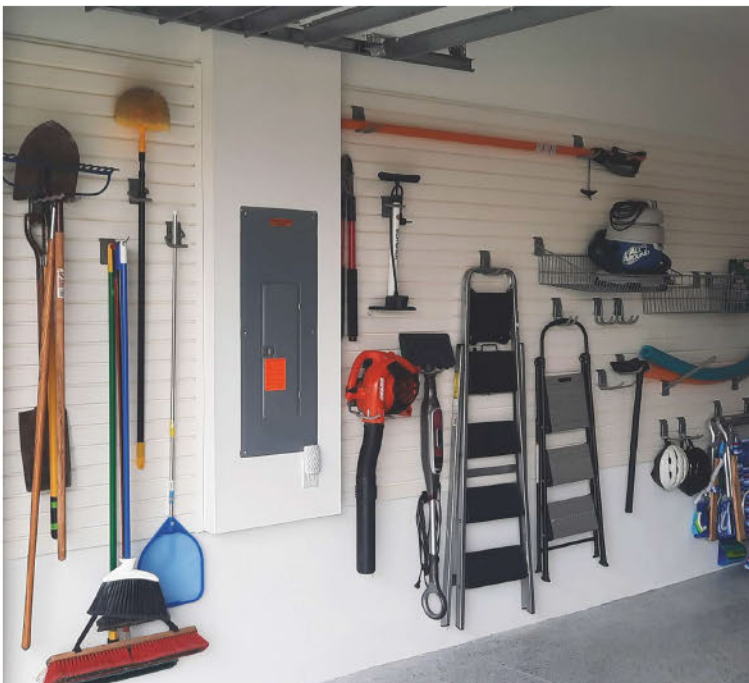

Our slatwall is constructed with heavy-grade PVC and features high-quality locking hook accessories for full item storage flexibility that can hold heavy items like tools and shovels with ease.

Customization

Every slatwall installation is tailored to your specific needs, whether you prefer a small panel or a full wall-to-wall setup. Options include vertical dividers and a variety of colors, so you can achieve a high-end look for your garage space.

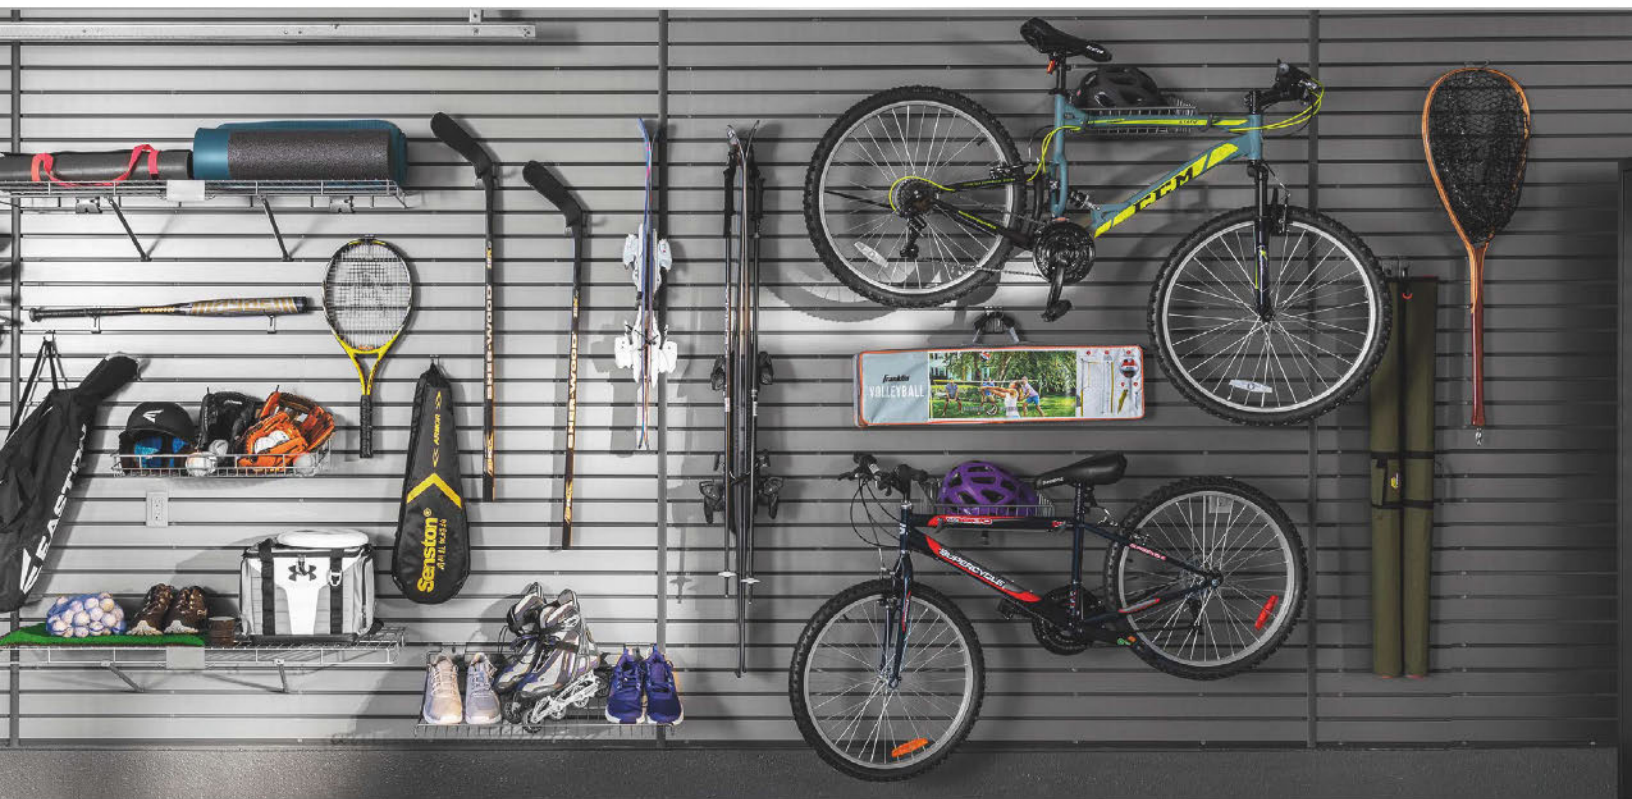

Skilled Installation

Our professional installation service guarantees a secure and clean finish, with all fasteners covered that accommodates for obstructions like outlets and utilities for a seamless look.

ORGANIZATION SERVICES

EFFICIENT

Slatwall offers a clean and organized way to store loose items, maximizing space. Relocate items exactly where they fit best. It's low-profile design makes it perfect for areas with restricted depth, helping you utilize every inch of your space.

DURABLE

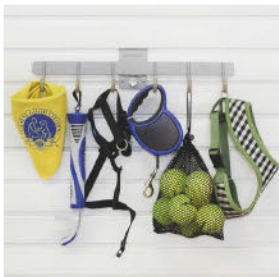

We offer heavy-grade PVC panels designed for solid, strong results. Provides a durable finish with color throughout that will withstand garage use. Pair with our high-quality locking hooks and accessories for full flexibility and strength.

PERSONALIZED

When you buy slatwall, our work doesn't end with the installation. We go the extra mile by assisting you in reorganizing your items together with our slatwall accessories.

Garage Shelving

Make the Most of Your Wall Space and Keep Your Items Off the Garage Floor With Our Adjustable and Customizable Wall Storage

STORAGE OPTIONS

Boxes • Totes • Water Jugs • Books • Kitchen Utensils • Paint Supplies • Cleaning • Tools • Paper Goods • Detergent • Clothing • Towels • Blankets • Canned Goods • Equipment • Hoses • Chemicals

Quality

Our shelving solutions use heavy-grade materials for durability, featuring double-slotted hardware for reinforcement. The epoxy-coated surface resists cracking, chipping, and discoloration for lasting performance.

Customization

Each shelving unit is custom designed to fit your space, with adjustable heights and various depths (20", 16", 12", and 9"). Choose from angled shelves for shoes or displays, and select from colors like White or Nickel to match your style.

Skilled Installation

Our team ensures secure installation on drywall or concrete, with shelves trimmed for a perfect fit. We customize shelf height spacing to meet your specific needs, delivering a tailored storage solution.

GARAGE FLOORING

Durable flooring solution that extends your interior style into your garage space.

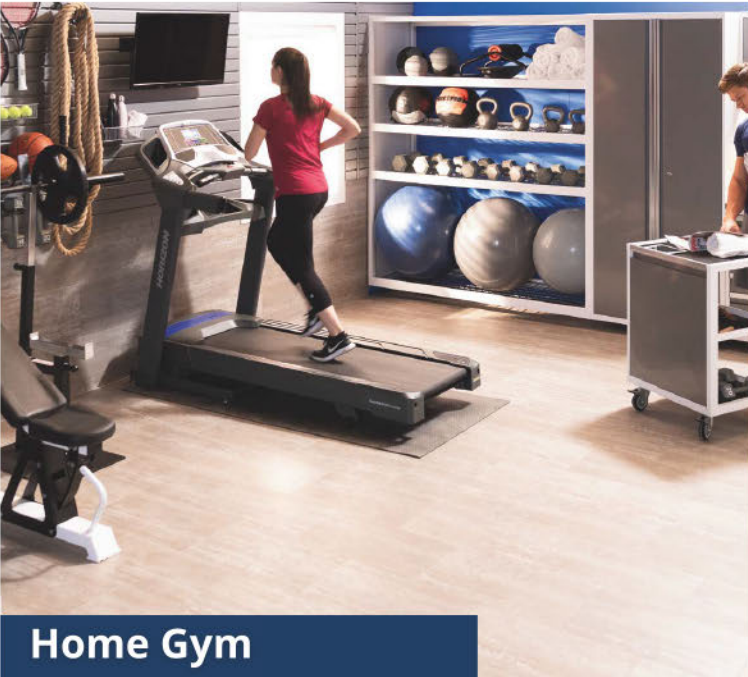

Garage Flooring

Garage Flooring Using Modern Technology

Our garage flooring is designed to endure time, weight, and moisture, providing a durable foundation that boosts both functionality and style. Available in a range of colors, our flooring solutions enhance your garage's look while standing up to heavy use.

Garage Workshop

Home Gym

Quality

Our flooring is designed specifically for garage use, providing excellent traction to ensure safety in any condition. The durable surface is resistant to stains and spills, making it easy to clean and maintain, even in high-traffic areas.

Customization

Choose from a range of colors to match your space perfectly. Our flooring options can be tailored to fit your style, with realistic finishes. Additionally, we offer matching accessories like thresholds and endcaps for a seamless and cohesive look.

Skilled Installation

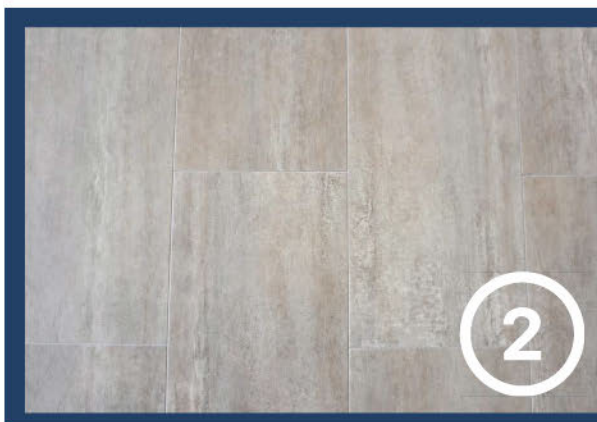

Our trained installers use a simple click-and-lock method for flooring installation, allowing each plank to interlock securely without the need for adhesives. This ensures a quick, precise, and water-tight finish.

EQUIPMENT STORAGE

Keep your bikes, kayaks, and outdoor equipment securely stored while ensuring easy access.

Looking for a Better Way to Store Your Equipment?

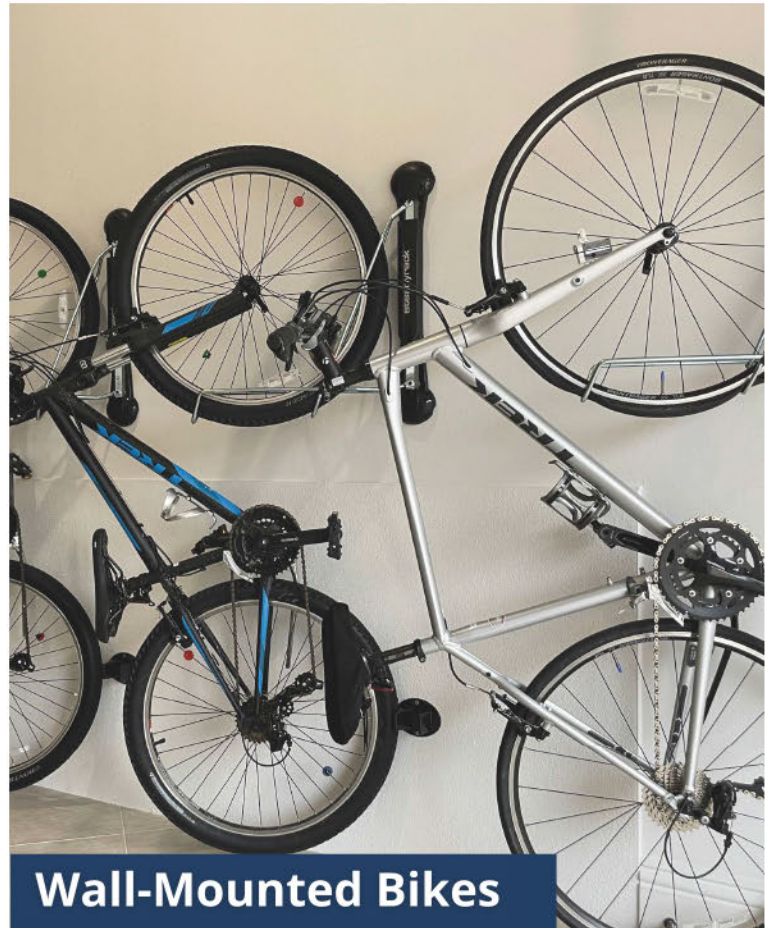

Bikes, kayaks, paddleboards, and golf equipment can quickly dominate your garage space, but the solution for storing these bulky items is InReach Storage! Reclaim your garage floor, all while keeping your valuable sports equipment safely stored.

BIKE & KAYAK SOLUTIONS

Our kayak and bike storage solutions, featuring wall mounts and motorized lifts, provide secure and accessible storage options. Wall mounts save floor space by utilizing vertical storage, while motorized lifts make it easy to raise and lower your gear with minimal effort. Both options keep your equipment protected and your storage area organized.

Motorized Lift With Kayaks

Wall-Mounted Bikes

CLOSET & PANTRY

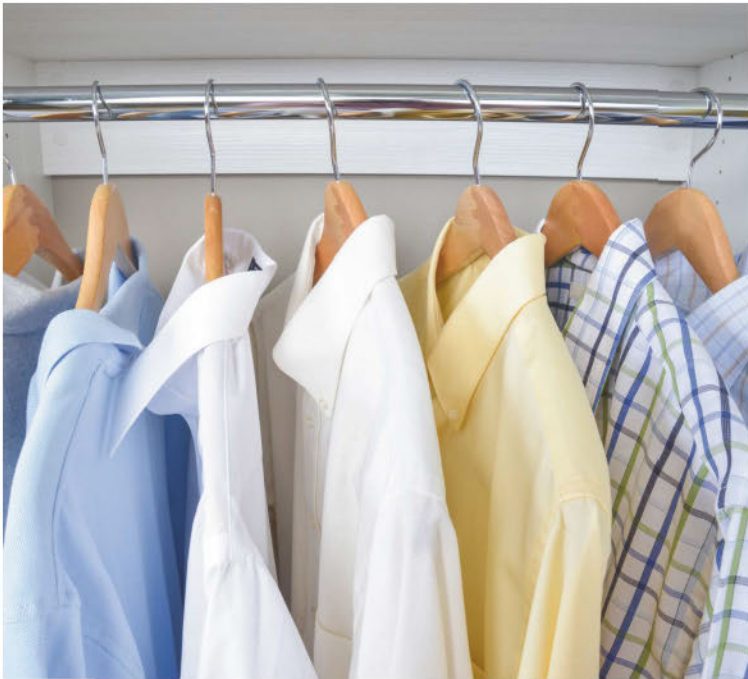

Design your closet or pantry to keep your essentials organized and easily accessible, to create a clutter-free and streamlined environment.

Frequently Asked Questions

1. Can I use InReach solutions in small spaces?

Absolutely! Our storage systems are designed with space efficiency in mind, making them ideal for a small garage, closet, or pantry.

2. How do motorized lifts work?

The Motorized Platform is equipped with low-profile cylindrical motors and aircraft-grade cables to lift and lower heavy items, all easily controlled with a handheld remote.

3. Is there a warranty on InReach products?

Warranty coverage varies by product. For motorized platforms, we provide a standard 1-year warranty, with options to extend to a 3 or 5 year coverage. Please refer to our *Terms & Conditions* for complete warranty details.

4. Can I install these solutions myself?

We recommend professional installation for these products. With InReach Storage, you can rest assured knowing the job will be done right.

5. How do I get started on my garage or home project?

Contact us by phone or through our website to discuss your storage project. We'll go over the best options for you and arrange a consultation.

6. How long is a consultation?

Consultations typically last 30 minutes to an hour. We'll confirm an estimated arrival time with you in advance so you know when to expect us.

Frequently Asked Questions

7. How do I get my project scheduled for installation?

Following your consultation, you'll receive an estimate typically within three days. A deposit is required to schedule your installation, and once received, we'll add you to the queue for the next available date. Installation timelines vary, and we'll provide an estimated wait time for your project.

8. How long is a typical installation?

Installation times vary by project size, but most jobs are completed within 1–2 days. Larger projects may take longer and will typically be completed consecutively. For more details, please see our *Terms & Conditions*.

9. What can I expect at my installation?

Our installers arrive fully prepared to professionally install your storage solutions. They'll answer any questions, provide guidance on your new products, and leave your space looking better than ever!
